

# Protection Island Lions Club Medical Equipment Program

All Protection islanders:

The PI Lions Club maintains an extensive inventory of medical equipment to meet the ongoing needs our growing population. The equipment is conveniently stored at our Beacon House Community Building and is readily available upon request. All equipment loans are free of charge. Many of the items in our inventory have been generously donated by islanders. The Lions Club continues to purchase new items as the need arises.

If you require an items or items from our medical equipment supply, please phone or email:
